

Unit Description

Tax for SMEs

Level 4 – 4TX

Valid from December 2015 exams

Unit title	Tax for SMEs	
Unit Aim	The aim of this unit is to enable individuals to understand taxation as it affects small and medium enterprises (SMEs) and small and medium practices (SMPs). SME is the inclusive acronym used to describe both types of organisation. To provide individuals with the skills to prepare basic tax computations and advise others of the effects of taxation on decision making.
